- Problem-solving and analytical thinking
- Positive Attitude
- Good Communication
- Time Management
- Leadership

## PROFESSIONAL EXPERIENCE

PAPERBILL - Web Design Intern

### Job Description

Dec 2025 – Feb 2026

- Designed responsive, accessible web interfaces using HTML5, Tailwind CSS, and React, improving user engagement by ~25%.
- Applied SEO best practices (semantic HTML, meta tags, image optimization, page speed optimization), increasing organic visibility by ~20%.
- Ensured cross-browser compatibility and performance optimization, reducing UI issues and improving page load speed by ~30%.
- Collaborated in an Agile environment using Git/GitHub, maintaining clean, version-controlled code.

## PROJECTS

Login Webpage Development [Link](#)

Technologies: HTML5, CSS3

Developed a responsive login web page using HTML and CSS, implementing multiple form components and mobile-responsive layouts to enhance usability and interface consistency. Designed structured input forms and styled UI elements, improving page organization and user experience while applying front-end development best practices.
